larity of the heart's action. This ir-
regularity may be mistaken for real
organic heart disease. The symptoms
are much the same. There is however
a vast difference between the two; or-
ganic heart disease is often incurable;
apparent heart disease is curable if
good digestion be restored.A case in point is quoted from the
New Era, of Greensburg, Ind. Mrs.
Ellen Colson, Newport, Ind., a woman
43 years old, had suffered for four
years with distressing stomach trou-
ble. The gases generated by the indig-
estion pressed on the heart, and
caused an irregularity of its action.
She had much pain in her stomach
and heart, and was subject to fre-
quent and severe choking spells which
were most severe at night. Doctors
were tried; the patient became worse,
despondent, and feared impending
death.

A Case of Heart Failure.

She was much frightened but not-
ed that at intervals in which her
stomach did not annoy her, her heart's
action became normal. Reasoning
correctly that her digestion was alone
at fault she procured the proper med-
icine to treat that trouble and with
immediate good results. Her appetite
came back, the choking spells be-
came less frequent and finally ceased. Her
weight, which had been greatly re-
duced was restored and she now
weighs more than for years. Her
blood soon became pure and her
cheeks rosy.The case is of general interest be-
cause the disease is a very common
one. That others may know the
means of cure we give the name of the
medicine used—Dr. Williams' Pink
Pills for Pale People. These pills con-
tain all the elements necessary to give
new life and richness to the blood and
restore shattered nerves.**CHRISTMAS CONCERT.**The band will present the following

of colds combined with impure blood.
Its symptoms are pain in the head,
discharge from the nose, ringing nois-
es in the ears. It is cured by Hood's
Sarsaparilla which purifies and enrich-
es the blood, soothes and rebuilds the
tissues and relieves all the disagree-
able sensations.HOOD'S PILLS cure all liver ills.
